### Report

What a fantastic end to the season! The weather and ground conditions were perfect and the club field was full! There was a really competitive atmosphere and so much support for all the competitors from the spectators. The highlight of the day had to be the Puissance, which was fantastic to watch, if not a little intimidating! Check out the WRC Facebook page for some amazing photos. I'm really looking forward to seeing you all next year, and will be spending the Winter thinking of some new ideas for different classes next year, maybe taking inspiration from some of the Hickstead Derbys and possibly looking at a small bareback jumping class! See you all then. Tracy
