Dear *Lorraine*

I am writing to thank all of the members of Wimborne & District Riding Club for donating the £150 raised from their Car Boot Sale on 27<sup>th</sup> August 2011 to Friends of Forest Holme. We are delighted that you chose to support us.

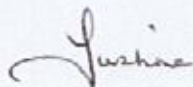

Space permitting, I would like to mention this donation on our Community Fundraising page in our next newsletter. If you have a suitable photograph of your members, which I could also feature, I would really appreciate it if you could email it to me. If however, you do not wish the donation to be mentioned, please let me know and I will of course respect your wishes.

The funds we raise go towards supporting all aspects of the unit including the 10 bedded in-patient ward; the purchase of new and improved equipment to better meet the needs of individual patient care; the funding of additional staff, so more time can be spent with each patient and provide counselling and bereavement support to patients and their families.

Thank you so much for your kind words about the care Gwen received at Forest Holme. I will pass a copy of your letter to the nurses, as I know they will also be very grateful to you.

Please find enclosed a fundraising certificate and on behalf of everyone at Forest Holme, many thanks again for your donation, this will really help to make a difference.

Kind regards

Justine Foster
